## Investment Objective

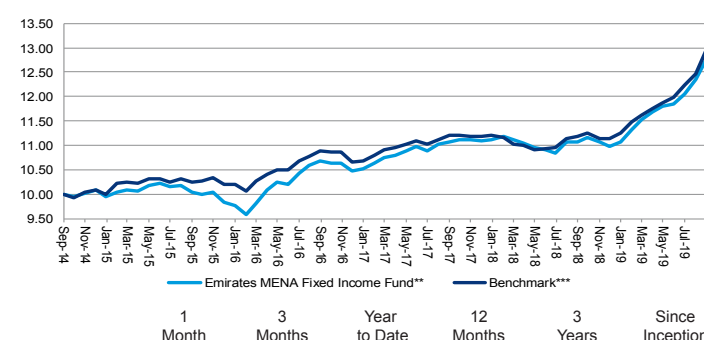

The fund is a US Dollar denominated open ended fund, which aims to achieve a high level of income as well as capital growth, predominantly through a diversified portfolio of MENA debt securities of varying maturities along with cash and other ancillary instruments, such as deposits. The fund may also take on exposure to issuers outside the MENA region provided a significant part of their business activity is derived in the region. Additionally, certain share classes of the fund will distribute income on a quarterly basis. Declarations will be made at the end of March, June, September and December.

## Team

With one of the largest track records in the MENA region, Emirates NBD Asset Management operates as an independent asset manager based in the DIFC and is backed by Emirates NBD Bank PJSC, one of the largest financial service groups in the UAE.

The Head of Fixed Income, Angad Rajpal has been in the industry for almost twelve years and is assisted by Director of Fixed Income Parth Kikani and Senior Portfolio Manager Chandru Bhatia, both of whom have over 10 years' industry experience. The portfolio managers are supported by three analysts. The team includes three CFA Charter Holders and one level-3 candidate who provide in-depth company and security analysis, as well as a dedicated risk management function. The risk management function reports independently to the Investment Committee which provides investment oversight.
